Litter bugs.™

Litter that finds its way into highway storm drains could end up polluting our lakes, rivers and beaches. We are all responsible for helping reduce the amount of litter that ends up in our water system through storm drains.

There are many ways you can help prevent this kind of pollution:

- *Never throw any trash or litter on the ground.*
- *Never throw anything out a car or truck window*
- *Always carry a litter bag in your car.*
- *Securely cover open loads on all trucks.*
- *Pick up litter in your neighborhood.*
- *Set an example for others by not littering.*

Thank you for helping keep California clean!

Discounts are not valid with advance reservations confirmed at a higher rate. Some advertisers may honor coupons beyond this date. Coupons are only redeemable at advertised locations found in the U.S. Travel Guide. U.S. Travel Guide does not endorse or rate the quality of the services listed in this guide nor imply any favorable or adverse opinions by their entry or exclusion.
